COMMUNITY DEVELOPMENT TRUST

CALL FOR PROPOSALS

KWFCDT RFP Q1/23

OUR VISION

To be a catalyst that empowers communities to be resilient, self-reliant, and sustainable.

OUR MISSION

To fund and support interventions aimed at improving the quality of life, and the quality of education & skills through collaboration with key stakeholders.

The Kouga Windfarm Community Development Trust (KWFCDT) recently adopted a new strategic intent that is premised on the theory of change model. The Trust's intent is based on three pillars (1) improving the quality of education and skills development (2) improving the quality of life and (3) reducing poverty – all this in the four communities of Kruisfontein, KwaNomzamo, Umzamowethu (Oyster Bay) and Sea Vista.

KWFCDT (The Trust) has in turn adopted a new operating model and is now geared to fulfil its vision and mission in a robust and cautiously focussed approach to achieve the desired developmental impact.

In its role as a catalyst, the Trust will focus on issues or systemic problems that stand in the way or prohibits our communities to become thriving, resilient, sustainable and empowered and we will work collaboratively with others to achieve our vision and mission.

Thus the KWFCDT hereby invites CBOs, NGOs and NPOs that are involved in **HUMANITARIAN, HEALTHCARE AND WELFARE SUPPORT** in the four focal communities to submit funding proposals for community development.

Guidelines and application forms can be downloaded from [HERE](#). Enquiries can be directed to info@kwftrust.co.za. Closing date for submissions: 7 APRIL 2023

Please note that all previously submitted proposals that have not been formally approved are deemed to have lapsed due to time as well as changes made to funding criteria. Those that meet the new guidelines and criteria are encouraged to re-apply.
